NEW STUDENT APPLICATION FEE: PER STUDENT (Non-refundable)

This fee is charged to **all** students who are applying for K-12th grade program, including **all** Kindergarten students **and** students who are transferring from another school or homeschool.

RE-ENROLLMENT FEE: PER FAMILY (Non-refundable)

The Re-enrollment Fee is required at the time returning students re-enroll. Once the re-enrollment form and fee are received, the student's seat is reserved; however, **the financial contract must be signed and returned within two weeks of receiving it to finalize this process.** Families are not responsible for composite & withdrawal fees by simply re-enrolling a student.

COMPOSITE FEE: PER STUDENT (Non-refundable)

The Composite Fee covers most books, supplies, agenda (K5-12), yearbook, educational supplements, program enhancements, and capital improvements. No less than \$100 per student will be allotted to the building fund. The book portion of this fee is a prorated fee, since some books are consumable and some last more than one year. Students retain consumable books only at the end of the year. For preschool only, one local field trip is included. If a student withdraws prior to the start of the school year, the fee is not refunded, and any books or supplies are forfeited.
